Copyright Infringement

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the filing-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Students, faculty and staff are prohibited from using the College's network to illegally share copyrighted materials including images, files, software. Recent legislation mandates that the College address illegal file sharing on campus.

Angeles College (AC) responds promptly to legitimate notices or letters of illegal copyright infringement. For more information. Please see the Web site of the U.S. Copyright Office at <https://www.copyright.gov/> , especially their FAQ's at <https://www.copyright.gov/help/faq/>

Cost of Attendance

The Cost of Attendance (COA) for a student is an estimate of that student's educational expenses for the period of enrollment. The COA is not the same as a bill. The COA is the college's estimate of what your total costs will be for the year. It sets the maximum amount of financial aid a student can receive for the year. In other words, it represents a modest budget on which a student can live adequately while attending AC. Students will be billed directly by the school only for tuition and fees.

Angeles College maintains all files on-site for a period of at least five (5) years from the last date of attendance. Student transcripts and enrollment agreements are maintained permanently. Student should report a change of address or name change to the registrar immediately as they occur. It is important that students keep the college informed of any changes of address during the course of their enrollment as well as after graduation.

Student's Right to Privacy (FERPA)

Angeles College (AC) maintains compliance with the Family Educational Rights and Privacy Act of 1974 (FERPA), as amended. FERPA defines requirements which are designed to protect the privacy of student records maintained by AC. The law requires that:

1. Students should be provided access to official records directly related to them. Students who wish to see their records must make an appointment or submit a written request through AC's Registrar's Office.
2. Students may not remove any materials, but are entitled, at their expense, to one copy of any materials contained in their file, unless a disclaimer appears on the document indicating that the student is not to be given a copy, or if the student waived the rights to the document.
3. Students should be given the opportunity for a hearing to challenge such records on the grounds that they are inaccurate, misleading, or otherwise inappropriate. The right to a hearing under the law does not include any right to challenge the appropriateness of a grade as determined by the faculty member.
4. Students' written consent must be received prior to releasing personally identifiable student data from their records to other than a specified list of exceptions. AC is authorized to release public directory information concerning students. Directory information includes the student's name, address, phone number, date and place of birth, major field of study, dates of attendance, certificates and awards received and the most recent previous educational agency or institution attended by the student. Directory information is subject to release by AC at any time unless the Registrar has received a prior written request from the student specifying that the information not be released.

AC is authorized to provide access of student records to AC officials and employees who have legitimate educational interests. These are persons who have responsibilities in AC academic, administrative, service or research functions.

A copy of AC's FERPA policy is available to students through the Registrar's Office. Education records will be released pursuant to a judicial order or a lawfully issued subpoena, but only after the student is given reasonable and necessary notification of AC's intent to comply with the subpoena before release of the records.

Students have the right to restrict disclosure of directory information. Written requests for privacy holds should include name, address, specific records to be withheld and/or to whom the privacy hold applies, and the student's signature and date. Requests are valid throughout student's enrollment unless otherwise notified.

Congress has provided the Family Education Rights and Privacy Act in that a student have certain rights of access to his/her education records (available in the front office).

Non-Discrimination Policy

Angeles College (AC) does not deny admission or discriminate against students currently enrolled on the basis of race, color, religion, sex, age, disabilities and area of origin, residence or sexual orientation from participating in any of the school's activities. AC will reasonably accommodate applicants and students with disabilities to the extent required by applicable law.

Americans with Disability Act (ADA)

Angeles College recognizes its responsibilities and obligations under the Americans with Disabilities Act (ADA) and the Rehabilitation Act of 1973 to prohibit discrimination on the basis of a disability while providing reasonable accommodations to qualified disabled students. Students have the choice to self-disclose and request an accommodation through the school's ADA Compliance Officer. Communications alone with faculty or other staff members does not in itself fulfill the ADA accommodation requirements. Students will be required to verify their disability through a Medical Release Form, Documentation of Disability Form, and Accommodation Request Form. Angeles College will review the documentation for consideration. Students applying have confidentiality and will not be retaliated against for requesting accommodations or bringing a complaint procedure for non-compliance by the college.

Angeles College as a private college is regulated by Title III of the ADA. In order to comply with Title III, Angeles College

- Provides classes and services in an integrated setting
- Provides reasonable modifications in policies, practices, and procedures that deny equal access to students with disabilities
- No unnecessary eligibility standards or rules that deny students with disabilities an equal opportunity or experience
- Removed architectural and structural communication barriers on campus when possible
- Maintain accessible features of facilities and equipment
- Furnish aids when necessary and requested to ensure effective communication

It is important to Angeles College students are knowledgeable about their rights and responsibilities in their education. Students have the responsibility to request and report their accommodations. For many students with disabilities, knowing their rights is an essential part of self-advocacy. Angeles College is here to assist with their journey.

ADA Compliance on Virtual and Online Learning

Angeles College recognizes the need for an accessible and accommodating online learning experience. Accessibility benefits not only students with disabilities but also students who are English language learners and those operating in a difficult environment. Angeles College is committed to providing multiple options for students to gain knowledge and interact by making courses accessible to all students, including those with disabilities. The Americans with Disability Act and Section 504 of the 1973 Rehabilitation Act states all individuals should have equal accessibility (including online instructional opportunities.) Utilizing links, text, images, audio, and video can greatly enhance the online learning experience. Links provided include text descriptions. Text for the classes have fonts with easy readability, avoid the use of bright colors, and have dark font colors on light backgrounds for better contrast. Images are clear, have text descriptions attached, and are optimized for efficient loading for slower internet connections. Audio is clear quality, has a written transcript accompanying it, and compatibility

with multiple operating systems. Video will have clear quality, closed captions attached, and compatibility with multiple operating systems. Students with technological issues can contact Angeles College for assistance. Technology is the great equalizer that can remove barriers while improving the quality of learning.

Student Seeking Reasonable Accommodations

Following Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act, Angeles College abides by the regulation that “no handicapped individuals shall be excluded from participation in the programs and services offered by AC solely by reason of the handicap.” A college may not discriminate on the basis of disability and Angeles College ensures the programs it offers including extracurricular activities are accessible to students with disabilities. By providing aids, services, and modifying policies, students can have the complete college experience. Angeles College does not charge students for the accommodations. A student is eligible for consideration for accommodations, aids, or services if they have a documented disability. This requires the ADA Compliance Officer to meet and verify the student’s disability.

Students

1. Student informs the Angeles College ADA Compliance Officer of the request for an accommodation.
2. The ADA Compliance Officer will ask for documentation regarding the individual’s functional limitations to support the request. Any medical documentation will be collected and maintained in accordance with confidentiality.
3. When the student’s disability becomes qualified, the student will consult with the ADA Compliance Officer:
 - a. Discuss the purpose and essential functions of the student
 - b. Determine the limitations the student faces
 - c. Identify potential accommodations and determine how effective each would be for the student.
 - d. Select and implement the reasonable accommodation most appropriate for both the student and Angeles College. While a student’s preference will be given consideration, Angeles College is free to choose among the choices available and may choose one that is more affordable or easier to implement.
 - e. The ADA Compliance Officer will provide a written decision to the student within a reasonable time unless agreed upon otherwise by the student and Angeles College.

Angeles College is committed to providing reasonable accommodations unless providing such accommodations would result in an undue burden or fundamentally alter the nature of the program or service provided. Angeles College is not obligated to provide personal use items for students with disabilities needed to accomplish daily activities including eyeglasses, hearing aids, or wheelchairs. If students do not inquire about any accommodations, they can choose to keep the information about their disability private. A college cannot provide any service or accommodation when it is not aware one is required. It is the student’s responsibility to make their needs known in advance so the college can prepare a plan for the student.

At the Angeles College, we believe that diversity and inclusion is necessary to achieve academic and institutional excellence. Every student, faculty and staff member not only matters, but their unique perspectives are the core of our strength and our success.

Campus Security, Safety, and Title IX Policy

Angeles College is committed to maintaining campus environments that are safe, supportive, and responsive so all students can benefit from the widest possible array of education opportunities.

Two federal laws – the Clergy Act and Title IX – require Angeles College to address sexual assault on our campuses (Clergy via statute and regulations and Title IX via regulations and guidance). Although difference in scope, these laws also contain important requirements for campus disciplinary processes used to address sexual assault, including that these processes must be fair.

Angeles College is committed to assisting all members of the community in providing for their safety and security. The 2022 Angeles College community consists of approximately 400 students plus 40 faculty and staff. Being situated within the cities of Los Angeles (LA Campus) and City of Industry (Relocated from the Garden Grove campus since May 1st 2014), Angeles College shares many of the same interests and concerns as each city, one of which is providing a safe environment for its students, faculty, and staff. As safety and security is everyone's responsibility, your actions and behaviors can significantly reduce your risk of personal harm.

At Angeles College, we understand the concern everyone has about campus safety. Our desire is for students, faculty and staff to enjoy their academic years free from threats to their safety or well-being. The purpose of this publication is to share with you information relating to the safety and security of campus facilities, the office involved in the coordination of campus safety and security, campus crime statistics, campus substance abuse policies, campus sexual assault policies, and timely warnings in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (or Clery Act)

The Jeanne Clery Crime Awareness and Campus Security Act of 1990 (Clery Act) requires colleges and schools to provide students and applicants a detailed report of crime statistics for the prior three years. The Clery Act is a federal statute codified at 20 U.S.C. § 1092(f), with implementing regulations in the U.S. Code of Federal Regulations at 34 C.F.R. 668.46.

Title IX Policy

Title IX of the Education Amendments of 1972 protects people from sex discrimination in educational programs and activities, including sexual harassment at institutions that receive federal financial assistance.

Angeles College students, faculty, and staff are entitled to learn and work in an environment free of sexual harassment. Sexual harassment is prohibited in any School-related activity. Sexual harassment is defined as unwelcome sexual advances (including sexual violence), requests for sexual favors, and/or physical, verbal, or written conduct of a sexual nature includes but not limited to the following:

- Submission to such conduct is made explicitly or implicitly a term or condition of an individual's employment education, or participation in the School's programs or activities, or
- Submission to or rejection of such conduct by an individual is used as a basis for decision pertaining to an individual's employment, education, or participation in the School's programs or activities, or

- Such speech or conduct is directed against another and is abusive or humiliating and persists after the objection of the person targeted by the speech or conduct or
- Such conduct would be regarded by a reasonable person as creating an intimidating, hostile, or offensive environment that substantially interferes with an individual's work, education, or participation in the School's programs or activities.

Timely Warning

In addition to the required Annual Campus Crime Statistics Report, Angeles College will provide a timely warning to the campus community of any occurrences of crimes considered to represent serious or continuing threats to students and employees, whether they are reported to campus officials or the local police agencies. Crimes that Angeles College views as serious include but are not limited to:

- homicide
- sex offense
- robbery
- burglary
- aggravated assault
- motor vehicle theft
- arson
- hate crimes
- arrests for liquor/drug or weapons violations
- campus discipline for liquor/drugs/weapons

If the school is aware of such a crime, and the management of the school feels that a serious and continuing threat to students and employees exists, the Campus Security Director will post appropriate warning notifications in various locations throughout the campus, including all entrance/exit doors of the campus buildings. These warning notifications will remain in place for ten days or longer if school management feels that a continuing threat remains.

Security of Campus Facilities

Angeles College campus facilities are private property. All visitors must report to the reception desk at each respective campus location to be admitted to the campus grounds/buildings. Any unauthorized visitation or other trespassing on Angeles College's facilities, including trespassing by students during non-business hours, is strictly prohibited.

Campus Law Enforcement

Angeles College does not maintain a law enforcement department or employ a security force. However, the building in which Angeles College facilities are housed does maintain security personnel. All crimes and other emergencies will be handled by the building security or local law enforcement agencies appropriately. The building security officers patrol the campus around the clock. Foot and vehicle patrols enable officers to monitor and maintain security on campus and promote contact between the campus community and building security officers.

Drug, Alcohol and Tobacco Policies

It is the policy of Angeles College to provide a safe and productive environment for all its students. The goal of this policy would be severely compromised by drug or alcohol abuse. Angeles College requires that every student be free of alcohol, illegal drugs and controlled substances.

Angeles College prohibits following: possession of controlled substances which would constitute a violation of the California Health and Safety Code Section 11350 or the Business and Professions Code Section 4230; use of alcoholic beverages while on any property owned or used by Angeles College. The "controlled substances," as used in this section, include, but are not limited to the following drugs and narcotics: opiates, opium and opium derivatives, mescaline, hallucinogenic substances, peyote, marijuana, stimulants, depressants and cocaine.

Smoking is not permitted in any classroom or other enclosed facility that any student is required to occupy or which is customarily occupied by students, faculty, staff and/or administrator. Smoking is only allowed at locations outside the main building in designated smoking areas.

Sexual Assault Prevention/Reporting

Angeles College does not maintain dormitories or other facilities that are used outside of regular school hours. Sufficient faculty and staff are available throughout the building and grounds during business hours to accommodate each student's need. Any crime, including sexual assault, on or off campus, should be reported immediately to the local police department or other appropriate law enforcement agency.

However, Angeles College realizes that the decision to report a rape or sexual assault can be a difficult one. We do, however, strongly encourage immediate reporting of these crimes to appropriate agencies. A rape or sexual assault is a serious crime and the reporting of the incident may prevent another unsuspecting individual from becoming a victim. Victims are encouraged to call any law enforcement agency by dialing "9-1-1" immediately for criminal investigation, medical treatment, and referral to crisis counseling and legal advocacy services. Victims may request the entire reporting process remain confidential.

If both the victim and the suspect are enrolled students, a college disciplinary action may be sought. In this event, the accuser and the accused are entitled to same opportunities to have others present during a campus disciplinary proceeding held by school committee. Both parties shall be informed of the proceeding outcomes after a decision has been made by the committee. If found to be in violation of Angeles College's Code of Student Conduct, the offender may be placed on probation, suspended, expelled, and/or excluded from the campus. If certain circumstances the victim may request changes in academic arrangements.

If you become a victim of a sexual assault on or off campus:

- Go to a safe place
- Immediately contact the local police department
- Contact someone you trust to be with you or ask the police department dispatcher to do so for you
- Do not shower, bath, douche, change or destroy your clothing
- Do not clean or straighten up the area

A police officer will arrange for forensic and medical services as appropriate and a report will be accepted in confidence through a 3rd-party or anonymously.

Firearms and Weapons Policy

Angeles College does not authorize the possession or use of weapons and firearms on the College's campuses or on any property owned or controlled by the College. This also includes ammunition for weapons, guns, BB guns, stun guns, chemicals, bombs, hazardous materials, explosive devices, knives, incendiary devices and any item capable of inflicting serious injury.

No one (personnel, students or visitors) except law enforcement officers of either the State of California or of a Federal Law Enforcement Agency shall be authorized to possess or carry firearms or other weapons, concealed or not concealed, with or without a concealed weapon permit, while upon campus or other properties owned or controlled by the College, without the prior knowledge and consent of the School Director.

Any individual who fails to abide by this policy may be subject to disciplinary actions, up to and including expulsion (in the case of students) and termination (in the case of employees), even for a first offense, or prosecution under appropriate city, state or federal laws. Individuals should immediately report any knowledge he or she may have regarding the possession, use or display of weapons and firearms to the School Director.

Potentially Infectious Agents and/or Hazardous Materials Policy

It is the policy of Angeles College that all students who are exposed (i.e. needle stick, inhalation, mucus membrane or skin exposure or percutaneously to infectious agents and/or hazardous materials including radiation, blood-borne pathogens) while engaged in an educational program seek and obtain prompt medical attention, including counseling, prophylactic drug treatment, and baseline and follow up laboratory values, as necessary.

Hate Crimes and the Law

Angeles College is mandated to protect all members of the campus community by preventing and prosecuting bias or hate crimes that occur within the campus jurisdiction.

Hate crimes, also called bias crimes or bias-related crimes, are criminal activity motivated by the perpetrator's bias or attitude against an individual victim or group based on perceived or actual personal characteristics, such as their race, religion, ethnicity, gender, sexual orientation, or disability. Anyone committing such acts can be referred to the Angeles College Administration for disciplinary action, as well as facing prosecution under the California law.

Violence Against Women Act Compliance

On March 7, 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013 (VAWA) (Pub. Law 113-4), which, among other provisions, amended section 485(f) of

the Higher Education Act of 1965, as amended (HEA), otherwise known as the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act). The Clery Act requires institutions of higher education to comply with certain campus safety- and security-related requirements as a condition of participating in the Federal student financial aid programs authorized by Title IV of the HEA. Notably, VAWA amended the Clery Act to require institutions to compile statistics for incidents of domestic violence, dating violence, sexual assault, and stalking and to include certain policies, procedures, and programs pertaining to these incidents in their annual security reports (ASRs).

The Higher Education Act defines the new crime categories of domestic violence, dating violence, and stalking in accordance with section 40002(a) of the Violence Against Women Act of 1994 as follows:

Domestic violence means a felony or misdemeanor crime of violence committed by: (1) a current or former spouse or intimate partner of the victim, (2) a person with whom the victim shares a child in common, (3) a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, (4) a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies [under VAWA], or (5) any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

Dating violence means violence committed by a person: (1) who is or has been in a social relationship of a romantic or intimate nature with the victim; and (2) where the existence of such a relationship shall be determined based on a consideration of the following factors: (a) the length of the relationship, (b) the type of relationship, and (c) the frequency of interaction between the persons involved in the relationship.

Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to (1) fear for his or her safety or the safety of others; or (2) suffer substantial emotional distress.

Distribution of Report/Policy

A notice of this report and policy statement will be given to all students and employees annually. Those wishing a printed copy of this report may print directly from our webpage or may contact any member of the Angeles College administration for a printed copy sent by mail or picked up.

Crime Prevention

Angeles College does not maintain dormitories or other facilities that are used outside of regular school hours. Sufficient faculty and staff are available throughout the building and grounds during business hours to reduce the likelihood of crime during school hours. Students and employees are encouraged to be vigilant and observant when in the non-campus or public areas, and to protect themselves and each other by reporting suspicious or illegal activity to proper authorities immediately. To help students and employees protect them and their property, Angeles College develops and makes available to students an updated crime log and safety tips.

Daily Crime Log

The Clery Act requires academic institutions with internal security maintain a daily crime log. This log may be publicized as a hard copy log and will be accessible on campus. The crime log

for the "most recent 60-day period" must be available for public review (<https://www.angelescollege.edu/daily-crime-log/>) during normal business hours. Any requests to view logs older than the 60-day recent period must be made available within two business days of the request for public inspection.

A hard copy of the daily crime log for Angeles College is maintained in the administration office. Angeles College does not make available an electronic version of the daily crime log. The business hours for access and further information are M-F, 9:00 a.m.-6:00 p.m. Furthermore, security is provided as part of the college's lease terms and as part of the Clery requirements, crimes are primarily registered with them at each campus location.

Emergency Notification

Angeles College Alerts will deliver messages using some or all of the following channels:

- The Angeles College homepage;
- Broadcast e-mail to all Angeles College students;
- Blackboards in classrooms;
- Phone Alerts;
- Classroom/hallway alarms.

Safety Tips

Effective policing is a community activity. Protect yourself against crime by taking the following common-sense precautions.

✓ **Emergencies**

- Fire: Leave the building and call 911
- Health/Medical: call 911

✓ **On Campus**

- Report unusual or suspicious activities to the Angeles College Administration Office in person or call (213) 487-2211 (LA Campus) or (626) 965-5566 (CI Campus).
- Keep small valuable items (jewelry, cash, wallets, purses, etc.) out of sight or in a closed/locked backpack.
- Small electronics such as iPods, mp3 players, cell phones, thumb drives, and laptops are easily taken by thieves and *must* be secured.

✓ **Parking Lots**

- Do not walk alone to your car.
- Lock your car at all times.
- Take your valuables with you or lock them in the trunk.
- Use anti-theft and safety devices, including remote key access for lighting, car alarms, and steering wheel locks.

✓ **Personal Safety**

- Always let someone know where you are.
- Never walk alone at night, always walk with a friend.

- Do not leave a party or bar with a casual acquaintance.
- Never leave drinks of any type alone, when at a social gathering.
- Report any rape or sexual assault, even if you know the assailant. It's still a crime.
- Report unusual or suspicious activities to the Angeles College Administration Office immediately at (213) 487-2211 (LA Campus) or (626) 965-5566 (CI Campus).
- In Your Car
 - Do not signal breakdowns or request help from strangers.
 - Check the back seat before entering your car.
 - Do not open your window more than an inch if you respond to strangers who approach your car.

✓ **In General**

- Be aware of your surroundings.
- Keep your door locked at all times.
- Don't walk alone late at night.
- Keep your valuables locked up in a safe place.
- Don't leave your laptop computer unattended.
- Mark your valuables with your name.

✓ **Notice, Remember and Report**

- License plate number
- Which way the car or person went
- Anything left at the scene by the assailant or the victim
- Description of car (color, number of doors, rust)
- Description of person, including
 - approximate age, weight, height, and build
 - gender
 - color and length of hair
 - color of eyes
 - color of skin
 - clothing
 - distinctive marks including scars, tattoos
 - distinctive accessories including rings, earrings, piercings

✓ **Your Identity**

- Don't give out personal information on the phone, through the mail, or on the Internet unless you initiated the contact or are sure you know who you are dealing with.
- Don't carry your SSN card in your wallet; store it in a secure place.
- Keep your purse or wallet in a safe place; do the same with copies of administrative forms that have your sensitive personal information.

✓ **Preventing Fires**

Fire prevention and safety programs at Angeles College include:

- Fire drills (Building Services)
- Inspection and maintenance of fire-detection and fire-fighting equipment (Campus Services)
- Routine checks of emergency firefighting equipment (Campus Services)

✓ **Preventing Fire-Related Crimes**

The following activities are illegal:

- Causing a false alarm
- Maliciously activating building fire alarm system
- Discharging a fire extinguisher mischievously
- Tampering with fire-detection and fire-prevention equipment (smoke detectors, sprinklers)
- arson

Any student who commits these crimes will be referred to the College Disciplinary Board. Criminal charges may also be filed.

✓ **In Case of Fire Drill**

When the alarm sounds:

- Always leave the building immediately. Never assume the alarm is a false alarm.
- Continue to evacuate the building even if the alarm stops.
- Use the nearest exit. If the nearest exit is blocked by fire, heat or smoke, go to another exit.
- Always use the stairs. Stairway fire doors will keep out fire and smoke if they are closed and will protect you until you get outside. Never use an elevator. If the power fails, you will be trapped.

✓ **When to use 9-1-1 versus 7-digit telephone lines**

- Call 9-1-1 when there is a life or death emergency that requires the immediate response of emergency service such as police, fire or paramedic. Always call 9-1-1 when there is a medical problem or something that requires the Los Angeles Fire Department to respond, because they do not have non-emergency lines.
- When there is a situation that requires police response but is not an emergency, use non-emergency dial 1-877-ASK-LAPD (1-877-275-5273) or The Los Angeles Police Department (LAPD) Olympic Community Police Station 1-213-382-9102.

It is a misdemeanor under California Penal Code Section 148.3 for any person to willfully use the 9-1-1 system for any purpose other than reporting an emergency. It is a felony if someone is injured or dies as a result of emergency service response to a false call.
