

## **Angeles College Important COVID-19 Information and Updates**

The Clery Act and its regulations require institutions to notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff occurring on campus.

Angeles College has implemented measures we are currently taking to mitigate the spread of COVID-19. Students, faculty, and staff are asked to follow these rules to sustain a healthy and safe campus in these unprecedented times. It's important we all act responsibly and transparently to these health concerns. We assure students, faculty, and staff Angeles College will treat your private health and personal information with confidentiality.

Angeles College will regularly send out emails to all students, faculty, and staff regarding updates in COVID-19 information, emergency notifications, and other relevant information. Information can also be accessed on the Angeles College homepage. We have outlined the required actions the Angeles College community should take to protect themselves from a potential COVID-19 infection.

### **General Hygiene Rules**

1. Proper and consistent washing of hands for at least 20 seconds
2. Covering your coughing and sneezing
3. Avoid touching your face with your hands
4. Appropriate social distancing
5. Masks covering mouth and nose in public
6. Discard used masks, Personal Protective Equipment (PPE), tissues in the trash
7. Avoid sharing electronics, books, pens/pencils

### **Maintaining a Healthy Environment**

1. Clean and disinfect high contact surfaces (door handles, tables, computers)
2. Increased and routine cleaning
3. Ensuring adequate ventilation of air
4. Space seating at least 6 feet apart when possible
5. Limit size of gatherings

### **Recognizing Signs and Symptoms**

COVID-19 positive individuals have reported a wide range of symptoms from mild to severe. Symptoms may appear anywhere from 2 to 14 days after the initial exposure. Symptoms include

fever, chills, cough, difficulty breathing, fatigue, aches, headache, sudden loss of smell or taste, sore throat, runny nose, nausea, and diarrhea.

Students, faculty, or staff that test positive for COVID-19 or currently have symptoms should stay at home to self-isolate. They are advised to get proper rest, hydration, and medicine while seeking medical care if necessary.

### **Students, Faculty, or Staff with Certain Medical Conditions**

Students, faculty, or staff of any age with certain medical conditions are at an increased risk. These include cancer, obesity, type 1 diabetes, type 2 diabetes, high blood pressure, smokers, asthma, and serious heart conditions.

### **Campus**

Angeles College students are advised not to come to campus for non-essential activities. All on-campus operations continue to be suspended with the exception of those that are deemed essential and cannot be conducted remotely. The administration and staff can be reached by email or phone to address any concerns or issues students have.
